

**What I learned in the
California Educational Trip**

Learner-centered

Activities

by Emily Shen

Shuang-Feng Elementary School

learner-centered Activities

- learners' autonomy
- learners have more motivation by doing things themselves
- learners can learn better by being fully engaged in tasks
- learners can learn better by making decisions on their own

the first week :

ABC Adult School

Workshops from Monday to Friday...

Monday: Songs, Chants and Drama

Tuesday: Vocabulary and Cooperative Learning

Wednesday: Writing and Conversation

Thursday: Improving Listening skills

Friday: Integrating Pronunciation into a Lesson

Monday: Songs, Chants and Drama

interesting

leads to strong and lasting

retention of information

a more cheerful atmosphere

use familiar tunes to make

up songs or chants

Reduce, Reuse, Recycle

(To the tune of

“The More We Get Together”)

** Reduce, reuse, recycle,*

recycle, recycle,

Reduce, reuse, recycle,

*It's easy to do. **

Cause your world is my world,

*And my world is your world. **

essay. Vocabulary and Cooperative Learning

vocabulary cards

facilitate multiple retrievals

elements to write on the

vocabulary cards

front: the word and part of speech

back: the information about the word, like translation, picture or definition, collocations, word

◆ quiz
