台教師培訓取經 獲洛縣表揚

18名新北市教師體驗美式教學與生活 特別是雙語教育 獲益良多

記者孫穎

洛杉磯報導

洛杉磯縣縣政委員安東諾維奇 (Michael D. Antonovich) 昨日在洛杉磯市中心韓肯尼斯漢賓館 (Kenneth Hahn Hall of Administration)，表揚18名從台灣新北市來洛參加培訓的教師和校長。這18名教師和校長是從台灣新北市經過選拔，代表新北市國小參加洛杉磯與新北市友誼城市的教師交流。

教師團領隊、新北市竹圍國小校長胡峻豪表示，教師團在美兩周期間，在洛杉磯Elliott成人學校完成一周的教學課程，隨後一周在Stowers小學參訪。

胡峻豪說，此行主要讓教師感受美國當地文化，學習雙語教育 (ESL) 教學。胡峻豪表示，為了讓教師瞭解主流社會，還安排團員住在居民家中，從飲食起居等日常生活感受不同的文化氛圍。

胡峻豪說，此行感到美國、台灣教育最大的不同，是美國教師「包辦」更徹底。胡峻豪說，美國小學注重語言和數學，只在下午穿插自然和社會學科。台灣小學教育的科目分得更細，專任教師多，學習時間長，基礎

教育課程豐富，教學質量不輸美國，甚至比美國更優。

參加此次交流的教師認同胡峻豪觀點。她們表示，來美前覺得美國孩子功課輕鬆，考試不多。來了才知道，美國孩子課業壓力也很重，但小學教育比較偏科，台灣國小課程更豐富。

國小教師江孟濟表示，此行最大收穫在學習到美國教師豐富多樣、富創意的課堂組織。江孟濟說，譬如學生排隊，美國的教師不按照第一組到第三組的順序，而是要求不同顏色或款式服裝的小朋友依次排隊。江孟濟表示，將把美國教師這種思維運用到英語課堂中。

教師張馨云表示，美國學生自制和禮貌，逃課或頑皮的學生不多，教師不用大聲呵斥也能維持課堂秩序，這可能和文化及家庭教育有關。她表示，怎樣訓練學生，還需要一段時間觀察。

洛杉磯縣和台北縣友誼委員會主席張曼君表示，該委員會1996年成立，主要是文化、教育及商業交流。教師培訓項目於2006年成立，2007年第一批教師訪美，4月剛去中部城市，10月剛來洛杉磯，至今已第四次交流培訓。

"Useful Idiots"

"Useful Idiots" was the term used by Vladimir Lenin to describe those who were not Communists, but who were [unknowingly] helping to advance the cause of communism through their exploitation.

Today, *students, minorities*, and the poor are being exploited to serve the Communist agenda.

Race & Class distinctions are being advanced to "divide" Americans. The "evil rich," *Capitalists Pigs*, The "white-man is keeping me down." These are all rallying cries for those that don't want equality of opportunity, but who demand equal results.

Spread the Wealth, Social Justice, Free Education, Statism, Progressivism, the Systematic Destruction of the Family, the Attack of the Church, and the Deterioration of Societal Values are all tenets of Communism.

Sadly, your exploitation doesn't include the "true" and complete understanding of communism in its historical context. Under Stalin, Lenin and Mao - 70 Million people died of starvation and "discipline."

Collectivist societies have NEVER been shown to provide more for its citizenry than the "blessings" that have been afforded you as an American, with the Liberties and "equal opportunities" protected by our Constitutional Republic, and our Capitalistic system of economics.

Revolution is sexy, no doubt. But what follows revolution is misery, oppression and despair.

Don't be a "Useful Idiot!"

California - 51st Worst State in the Country.

Huh?

According to a recent study by Chief Executive Magazine, California ranked as the 51st worst state in the country to do business. (*District of Columbia*)

So what, right? Well, not so fast. Here's a little Economics lesson (*one that your Professor's probably missed teaching*)

Taxes come from the Private Sector of the economy, through primarily (3) sources: Income, Business, and Sales Taxes. Businesses and "rich people" are fluid. If you penalize (tax) production, businesses and workers will find less oppressive environments to setup shop.

California, for almost a generation has expanded its appetite for Taxes beyond that which the state can support. It is now to the point where business and workers are leaving the state for lower taxes, and less restrictive regulatory environments.

Under Schwarzenegger, and the Democratic Legislature, where spending is initiated, btw, California instituted "temporary taxes" to bridge the gap in their spending provisions. What they didn't do, was cut back on any of their spending. Once the "temporary" revenues were used, the same spending shortfalls existed in the next budget cycle. (*and the one after that, and the one after that*)

We do not have a revenue problem – we have a spending problem.

The State "must" cut its expenses, and stimulate growth. You/we/the State/our Country cannot continue to spend beyond our means. There aren't enough "rich" to cover the debts built-up by Progressively increased spending.
