

臺北縣九十九學年度與
英國文化協會合作辦理國小英語教師專業培訓成果彙編

Designer: Sara Kao 高素珍 / 三峽國小

Name of Activity: Wall crawl

Target learners: 6th graders

Time required: 20 minutes

Aims

- 1.To practice reading comprehension
- 2.To practice the skill of scanning (reading for specific information)
- 3.To practice writing a summary of a short passage

Materials required & pre-lesson preparation

1. Visual and written information from an article on several pieces of paper displayed on the wall
2. A list of questions about the article

In class procedure

1. Give each student a list of questions.
2. Set a time limit for students to walk around the classroom and find out the answers using information displayed on the wall.
3. Discuss the answers with the students after time is up.

Follow up

1. Give the complete article displayed on the wall to all students.
2. Students read the article again.
3. Students write a summary of each passage of the article.
3. Students read their summaries to their group members.
