### **Introduction**

#### **- NCFTA Yilan Park**

Found in Wujie Township, Yilan County, the National Center for Traditional Arts (NCFTA) has become a landmark on the Langyang Plain, and is a distinctive window to Taiwanese culture. Located on the bank of Dongshang River near where it meets the ocean, the Center is comprised of 24 hectares which are designed to promote historical arts, theater, music, dances and aerobatics. The whole complex, with its traditional red-brick walls and black tiles, will whisk you away to an earlier time, and a dynamic reconstruction of Taiwan's folk culture will emerge before you at every

turn.

- **Jhong Shan Agriculture Leisure Area**

Jhong Shan Agriculture Leisure Area is the main tea producing area in the county. The whole image of the district is in the shape of one heart and two leaves. When you see this area nearly, it looks like a tail-up bird with unique natural ecology. In recent years, this area combined leisure activities with production, life, ecological resources. We welcome visitors and experience locally rural life in the area.

- **Plum Blossom Lake**

Because the shape of the lake is similar to the five-petal plum, it is named of "Plum Blossom Lake". It is rich in lake ecology and it's also a beautiful natural reservoir. There are a lot of food and snack stands around the lake. Tandem bicycle and boat tour make Plum Blossom Lake a popular attraction for leisure travel.
